* "When Rick put together a unique line up of himself, son Adam and Hayley Sanderson for a three night, highly acclaimed sell out shows at Ronnie Scott's in London, he has subsequently been inundated with requests to repeat these performances. But up until now, it's simply not been possible due to Hayley's commitments with Strictly Come Dancing and Adam's commitments to working with Tony Hadley. After much too-ing and fro-ing, the dates of October 11th and 12th were finally able to be confirmed, and these are almost certainly going to be the only chance to see this line up in 2022, which also enables a very different kind of musical evening to anything else that Rick does with his shows".
